Pastor's View

1st Communion Class - We had two young people who have finished 1st communion class. First Communion is on May 21. Pray for these students.

Vacation Bible School – Monday Bible School is almost done. It has been held on May 1, 8, 15, and 22 at 3:30 PM. I would like to thank the teachers and helpers for all the work they have done. Bible School has been a success because of all their work. The students have enjoyed all the different activities held each night.

FCTE – Pastor was at First Call Theological Event. This event is a gathering of all First year pastors in the Synod. Pastor Bill helped present the devotions for the event. Chick Lane was the main presenter. His topic was Embracing Stewardship. Chick stated that for most congregations the word stewardship is equal to Fall Fund Drive. I asked that same question to you and you answered that stewardship is much more than the fall fund drive. Our Stewardship understands that all belongs to God and we are to take care and share all that God has given us. Another point Chick made was that all giving can be grown to a higher giving level. And another point is that giving is a good measuring stick to measure our faith commitment to God and Church.

Wednesday Worship – We will be offering a Wednesday evening worship service during the

summer. There will be 6 worship events on: June 14, July 12, and August 9, at Our Savior's and June 21, July 19, and August 16 at Faith. The service will begin at 6:30 pm and be short like 45 min. or less. This service is geared for family and spiritual growth. The sermon will be interactive with those who want to share. Music will be light and fun. If you play an instrument please contact Pastor Bill.

Christmas – Christmas is a problem this year. It is always difficult when Christmas falls on a weekend. This year Christmas Eve falls on Sunday night. The worship committee talked for a couple of meetings on what would be the best for all families. It was decided that Christmas season worship would look like this. Christmas Eve morning worship (Sunday) would be at Faith at 9 AM. Christmas Eve worship would be at 9 PM at Our Saviors. Christmas Day worship (Monday) would be at 9 AM at Faith. And the first Sunday in Christmas would be at 9 AM at Our Saviors. Mark your calendars.

Worship Service Change – On June 4th we will use WOV.

In Christ,

Pastor Bill

"The Prayer"

We pray You'll be our eyes, and
watch us where we go,
and teach us to be wise in times we
don't know.

Let this be our prayer when we lose
our way.

Lead us to a place, guide us with
your grace
to a place where we'll be safe.

We pray we'll find Your light, and
hold it in our hearts
as darkness falls each night, remind
us where You are.

Let this be our prayer, when
shadows fill our day.
Lead us to a place, guide us with
Your grace.
Give us faith so we'll be safe.

Lead us Lord,
lead us in your righteousness;
make Your way plain for us to see.

We pray we'll find Your light, and
hold it in our hearts
as darkness falls each night, remind
us where You are.
Let this be our prayer, just like every
child
needs to find a place, guide us with
Your grace,
Give us faith so we'll be safe.

Lead us, Lord.

Bible School

The theme for Bible School 2017 was "Jesus Is My Shepherd"

Thirty-eight kindergarten through fifth grade students spent time at Faith Church after school on the four Mondays of May.

Twelve adults organized the days for the kids. Six youth helpers led the groups to snacks, stories, crafts, music, and activities stations.

The Bible School lesson focused on following Jesus' example of caring, sharing, and love.

Thank you to all who made Bible School a successful event.

ABOUT THE LUTHERANS

Luther's Small Catechism

Of all the things Martin Luther wrote, he is probably best known for two things: the hymn “A mighty fortress is our God” and the Small Catechism. Interestingly, Luther himself was ambivalent about the lasting value of most of his writings, with two exceptions—and one of them was this little pamphlet, the Small Catechism. And this from someone whose writings changed the whole landscape of the Western religious world.

Most of us know the Small Catechism well. Many spent hours memorizing it as teens. But how did it come to be, and what is it that makes it so helpful?

In 2017 we are observing the 500th anniversary of the Reformation's start, when Luther posted the Ninety-Five Theses. If that was the act of a passionate young man, a decade later he was facing the needs of the church he was reforming. If it was no longer enough just to go through the motions, following the lead of a Latin-rite priest, then what was at the heart of what people needed to know—and how were they to learn that? To meet that need, Luther the pastor and teacher created two catechisms—the Large (primarily intended for pastors) and the Small (for use in the home).

A catechism is a document that lays out the basic ideas of religion in a simple question-and-answer format. For the Small Catechism, Luther chose to open up some of the basics of Christian faith: the Ten Commandments, the Apostles' Creed, the Lord's Prayer, the sacraments of Holy Baptism

and Holy Communion, and the Office of the Keys and Confession. It's worth noticing that he based this teaching document on what already existed rather than starting from scratch and inventing a whole new system. Luther was committed to the church catholic.

His genius is shown in the way he opened up these statements of faith. The famous question in each case was, in German, "Was ist das?" In English, most of us know this as "What does this mean?" but a literal translation would be "What is *that*?" And then he proceeded to tell, in beautifully simple language, what each commandment, each part of the creed, each petition of the Lord's Prayer, tells us about God and about us as God's children. These explanations set out a God who is not the stern judge of Luther's own childhood, but a loving parent who offers us unconditional grace and only then invites us to live accordingly.

How profound was Luther's achievement in writing the Small Catechism? A mark of it can be seen in the simple fact that nearly five hundred years after its first publication in 1529, and after being translated into hundreds of languages, it is still one of the most effective tools for learning and teaching what the Christian faith is all about.
