## **Pastor's View**

*Thank You* – Jane and I would like to thank you for all the wonderful blessings that were shared with us this year. We thank you for all the gifts and cards that have been given this season. Your love is greatly received. We love the town of Calamus and all that comes with the gift of this community.

*Blessed New Year* – Advent seemed to jump right into Christmas. We didn't even have four Wednesday services this year. It was strange to see Christmas Eve on Sunday. And Monday was the wonderful Birth of Jesus celebrated on Christmas Day. Christmas then jumped to New Years day also on Monday. People are busy with New Year greetings.

It is good to look back at the year that has just pasted. For me the year has held the beginnings of change. The first change came when I heard the good news that I was to become a grandfather in May. This led to the second change; it helped me pick a date for retirement. I am planning to retire sometime between summer of 2019 and January of 2020. Changes in the congregation always take place. We have seen members die this year. We have seen members move to another place to live; near family or Nursing homes. And we all get older every year.

We all have changed. The good news is that we don't have much to do still be in relationship with our Lord Jesus. This relationship is not dependent on our actions alone. The first move is always made by God. The response is always dependant on us. We are in a relationship that God has chosen to join with us in this life. As we look at the changes that are coming in 2018 remember God blesses us and always acts first. So we can be faithful in return.

*Coming Events* - Coming first is another annual meeting. Make plans to attend. Next is the start of Lent in February. We are looking into a round robin again so you will get to see a few of the area Pastors preach on Wednesday nights. The theme has not been chosen yet. May God Bless you this year.

*Congregational Study on Pastoral Ministry* – The Calamus Parish will start in January the study to see what style of ministry will fulfill the needs of the parish after Pastor Bill retires. The parish will look at the need and form some sort of call/study group or council or another option not named. The parish will look into the questions from the self-study questionnaire that the synod uses when a congregation enters into the call process. The parish will look into TEEM, MDiv. Collaborative Learning Program and the regular call process of the Synod. There is a lot of work that needs to be done in the next 18 months. Please pray for one another that we will follow where God's Spirit is leading us. Please pray for wisdom to make the right choices for the right reasons.

## **Lutheran Chaplaincy Outreach**

Has compassionately shared the good news of God's healing love and grace through the ELCA chaplaincy at the University of Iowa's Hospitals and Clinics for over 20 years.

**Chaplain Cindy Breed** has provided the Holy Sacraments of Communion and Baptism as well extended the love of Christ through prayer and presence to thousands of ELCA Lutherans and their families hospitalized at UIHC.

**Chaplain Breed has been there when local pastors have been unable to tend to their flock at University Hospitals.**

This vital ministry needs your support. Our nation has suffered many disasters in the last year, which have resulted in the redirection of donations – needed donations - to assist God's children in the areas affected.

As a result of this redirection, LCO has suffered a **\$30,000.00 budget deficit that may end this ministry.**

Please support LCO **today** through your giving - so that it will remain accessible for all Lutherans.

LCO receives no synodical financial support.

All donations are tax deductible.
